

Beate Chelette

Growth Architect
Motivational Speaker
Facilitator
Podcast Host

Beate Chelette is a Growth Architect and Founder of The Women's Code specializing in coaching, consulting, and facilitation. With a transformative journey from being a broke single mom with \$135,000 in debt to selling her business to Bill Gates, Beate exemplifies the power of strategy, belief, and resilience. She empowers clients to integrate strategic thinking with spiritual alignment, turning complex processes into simple, actionable steps. Known for her high-energy speaking style and insightful content, Beate has been featured in over 250 podcast interviews and media appearances. Her expertise spans from building resilience to growing and scaling businesses. In addition she offers women leadership specific programs and topics.

“You nailed it. Looking forward to more work together in the future.”

EMANUEL MAXWELL, CHIEF TALENT AND EQUITY OFFICER, LOS ANGELES PHILHARMONIC

“I am one of the most senior women in the engineering org at my company and have really starting feeling both a sense of duty and urgency to bring about change. Thanks for the inspiration. I’m leaving even more optimistic than I was before.”

ADRIENNE SHULMAN, VP OF GLOBAL BUSINESS OPERATIONS & SYSTEMS, CORNERSTONE

“ONE OF 50 MUST FOLLOW WOMEN ENTREPRENEURS.”
